

SALUTE TO SERVICE GAME

Thursday, AUGUST 31ST, 2023

WALLED LAKE
CENTRAL

vs

WALLED LAKE
NORTHERN

The **Walled Lake Central** and **Walled Lake Northern** Football teams will be honoring United States Military personnel, Veterans and First Responders, on **Thursday** night, August 31st during their game at Walled Lake Northern.

Donate \$100 to sponsor your First Responder, Veteran or Military Personnel in the game. They can be current or retired, a family member, or a friend. Players for both teams will be wearing a special jersey with the sponsored last name on the back – and playing in their honor. You and the honoree will receive the jersey right after the game – and they are really cool looking!

There will be a brief ceremony at the end of the game where the jersey will be presented to the sponsor. Family and friends are welcome – so, please attend the game. It is a wonderful experience. A roster mentioning each honoree will be included in the program. All proceeds will go to Military Families United of Michigan (an IRS Charity) to benefit Michigan Military Families.

The game is early this year! Please have your order in by August 7th.
